

# CHURCH FORUM UPDATE

**Let's Work Together! Let's Make a Team!**

**“Always give yourselves fully to the work of the Lord because you know that your labor in the Lord is not in vain.” (1 Corinthians 15:58 NIV)**

Dear Church Family,

We had another church forum on May 15. We reviewed each ministry idea and the leaders and team of each idea reported the progress and plan that they had made. We want to serve God and God's people all the time, even in the Pandemic. This is the reason that we have forums and want to try ideas.

We still need your help to carry out the ministry. Please let us know what idea(s) you are interested in and want to join the team. Please check a box(es) below and submit it to the church office to join each team. You can call the church office (973-256-0993) or me. You can email ([jkim@littlefallsumc.org](mailto:jkim@littlefallsumc.org)) or the church office ([info@littlefallsumc.org](mailto:info@littlefallsumc.org)).

The next meeting will be held at 10:30 am on July 17th, 2021. We will gather the idea more and see the progress. Also, we will have a conversation for the post quarantine church. Please join us and let us work together.

In Christ,  
Jin

—————Please cut here and submit to the church office—————

**Your Name:** \_\_\_\_\_

**Please choose the idea(s) that you want to participate in and inform Pastor Jin.**

- Online Open House (Making a video for introducing the church)
- Classes for learning how to use devices to access Zoom, Youtube, Facebook to join worship, and small groups. (for the people who do not know how to use their devices)
- Outside Signages
- Setting up online donations.
- Getting Third party group to participate in the ministry.
- Phone Chain, text chain, and/or Group message chain (including kids) for making us closer
- Community service for the confirmands and/or Youth
- Making a Welcoming Committee (to serve visitors)
- Making Small groups (for the discussion with a topic such as the social issues, for those who lost their family members, and/or for prayer group)
